

Student Terms of Agreement

By accepting Financial Aid funds, you are stating that you have read, understand and will comply with the following Financial Aid Terms of Agreement and Satisfactory Academic Progress policies.

Please select from the following for more information:

[Terms of Agreement](#)

Terms of Agreement

I understand that:

1. I cannot receive financial aid payment if I am in default on any Title IV educational loans made to attend any college and/or owe an overpayment on any Title IV grant to the college and/or the U.S. Department of Education.

2. I cannot receive financial aid payment at more than one (1) post-secondary institution for the same period of enrollment and therefore, I must notify the Financial Aid Office if I am receiving financial aid for attendance at another institution while attending BC, CC or PC. Further, I cannot receive financial aid payment that exceeds the maximum annual award.

3. I must be enrolled in an eligible program leading to a degree (AA/AA-T, AS/AS-T), transfer or certificate to be eligible for financial aid. (Job Skills Certificates are not approved for Title IV Aid)

4. I must have a high school diploma or a GED.

5. My financial aid payments will be adjusted based on my enrollment status at the time each payment is processed.

6. Federal financial aid ("Title IV funds") is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded and enroll in classes in their eligible program.

I understand that if any of the following should occur I may owe all or a portion of my Federal Financial Aid back to the institution or the U.S. Department of Education if:

- My enrollment drops below 6 units
- I withdraw from all of classes
- My instructor assigns a Withdraw (W) or F
- I take classes that are not in my program of study

NOTE: The Federal Financial Aid refund calculation will be based on my last date of attendance recorded by my instructor.

7. There will be no payment adjustments after the final payment has been processed for each semester. Dates are as follows: October 27, 2016 for Fall 2016 and March 23, 2017 for Spring 2017.

8. I must be enrolled in eligible classes by August 11, 2016, to receive the August 19, 2016, payment. I must be enrolled in eligible classes by January 5, 2017, to receive the January 13, 2017, payment.

9. I understand that classes I am enrolled in that are not the full length semester courses will not be considered for Financial Aid payment until after the class begins.

10. I cannot receive financial aid payment for any units completed as a result of Credit by Examination. I cannot receive financial aid payment for any courses taken for Audit.

11. I can only receive financial aid payment once for repeating a previously passed course.

12. I understand I cannot receive payment for a Waitlist course until I am officially enrolled in the course.

13. If I fail to receive a passing grade for at least one course during a semester that I officially attended, I may owe funds back to the college and/or U.S. Department of Education.

14. If I completely withdraw from classes, I may be subject to repayment of funds received from all Title IV programs. I further understand that I will lose eligibility for future financial aid if I do not repay the funds.

15. In the event of financial aid overpayment, regardless of the cause, I must repay the funds. This includes students who received financial aid funds and are later determined to be ineligible.

16. The amount of financial aid I receive is directly related to the cost of attending college and that my financial aid funds must be used FIRST to pay charges for expenses incurred. I understand that I have the option to request my Cal Grant be excluded from payment of these charges, and to do so, I must contact the Office of Financial Aid. I further understand that I am responsible for all outstanding charges.

17. Effective July 1, 2012, new federal regulations limits the receipt of a Federal Pell Grant to a lifetime limit of up to 6 years or 12 full-time semesters (600%) or until a Bachelor's Degree is earned, whichever comes first. I understand when I have reached 600% in Federal Pell Grant funds, I will no longer be eligible for a Federal Pell Grant. I understand this limit will be monitored by the U.S. Department of Education and I can check my status by logging into: www.nslds.ed.gov.

18. Correspondence from the Office of Financial Aid will be emailed to my college assigned email address or mailed to the mailing address on file with the Admissions and Records Office. All

changes in name and/or address must be reported directly to the Admissions and Records Office.

19. I must report any changes in my information promptly to the Financial Aid Office including name, mailing address, enrollment status and additional financial assistance resources I receive such as scholarships, tuition waivers, and veterans or rehabilitation benefits.

20. I understand The Office of Financial Aid reserves the right to revise my Financial Aid award during any time of the year if there are changes to my financial aid eligibility.

21. It is my responsibility to visit my college website for financial aid announcements, updates, and to check the status of my financial aid. <https://www.bakersfieldcollege.edu>, <https://inside.bakersfieldcollege.edu>

22. Academic and Progress Standards for the BOG Fee Waiver:

Academic — Sustain a GPA of 2.0 or higher If your cumulative GPA falls below 2.0 for two consecutive primary terms (fall/spring semesters, or fall/winter/spring quarters), you may lose your fee waiver eligibility.

Progress — Complete more than 50% of your coursework If the cumulative number of units you complete is not more than 50% in two consecutive primary terms (fall/spring semesters, or fall/winter/spring quarters), you may lose your fee waiver eligibility.

Combination of Academic and Progress Standards -Any combination of two consecutive terms of cumulative GPA below 2.0, and/or cumulative unit completion of not more than 50% may result in loss of fee waiver eligibility.

23. The Financial Aid Terms of Agreement and Satisfactory Academic Progress Policies may change any time during the semester. In the event of changes, I will comply with all the new policies. I also understand changes will be posted on the college website.

24. It is my responsibility to complete a designated program of study within the maximum time frame as specified in the Satisfactory Academic Progress Regulations and ensure all classes I take will fulfill my educational goal requirements.

25. I understand that my Pell grant will be in three disbursements each semester (the total award will be divided into the following percentages for each semester: 30%, 20%, 50%).

I have read and understand the Satisfactory Academic Progress polices listed below. I further understand that failure to maintain Satisfactory Academic Progress may result in termination of future financial aid.

Satisfactory Academic Progress Policies

NOTE: All units attempted in the Kern Community College District (Bakersfield College, Cerro Coso College and Porterville College) will be used to determine satisfactory academic progress. All units from other institutions that are accepted for credit by KCCD will be used to determine satisfactory academic progress. Student are permitted to appeal once per academic year.

- **LENGTH OF ELIGIBILITY (Maximum Timeframe):** Federal regulations require that you complete your academic program within 150% of the standard timeframe for your program. For example, if you are in a Liberal Arts A.A. program that requires 60 units of coursework, you will need to complete your program within 90 attempted units or your financial aid will be suspended. A certificate program requiring 30 units would carry a maximum of 45 units. All attempted units are counted (less non-degree/remedial/ESL coursework up to a maximum of 30 units) whether or not you received financial aid and if the units taken do not count for credit toward graduation. The calculation of attempted units includes all coursework at the KCCD as well as all other transferable coursework completed at other institutions.
- **Qualitative Standard – Grade Point Average:** To maintain satisfactory academic progress and remain eligible for financial aid, students must maintain a minimum cumulative grade point average of 2.00. KCCD will review each student's academic progress at the time of determining eligibility and after each payment period.
- **Qualitative Standard – Unit Progress:** To maintain satisfactory academic progress, students are required to complete 67% of the total number of cumulative units attempted. Unit progress is evaluated by comparing the number of cumulative units attempted with the cumulative units completed to determine whether the student is progressing as a rate that will allow him/her to complete the program within the maximum time frame.
- **WARNING:** Students who fail to meet the unit and/or grade point average requirement will be placed on financial aid warning.
 - Students on warning who fail to bring their cumulative units and /or GPA up to satisfactory academic progress will be placed on financial aid suspension.
- **SUSPENSION:**
 - Students who fail to meet the conditions of financial aid warning will be suspended from financial aid.
- **REINSTATEMENT:** Students who have not maintained satisfactory academic progress and have been terminated from financial aid may re-establish eligibility by successfully completing the unit completion requirement and/or raising the cumulative grade point average to a 2.00 during a semester or semesters without aid.
- **EXCEPTIONS:** Students who have extenuating circumstances may appeal for an exception to the Satisfactory Academic Progress Regulations. Appeals must be submitted in writing by the date indicated on the Appeal Form and must be accompanied by a counselor approved Student Educational Plan, a Student Success Academic Plan and documentation of the extenuating circumstances. Students granted an exception will be placed on probation, must meet satisfactory academic progress standards each term, and abide by the conditions determined by the Appeal Committee during the probationary semester. Not meeting the conditions of an approved appeal will result in suspension in the next term and probable denial of future appeals.
- **GRADE INTERPRETATION:** A student completes a course as they earn credit by receiving a passing grade. The following grades count towards attempted units, not completed: F (Fail), W (Withdrawal), I (Incomplete), IP (In Progress), NC (No Credit), NP (No Pass), RD (Report Delayed). Audit units or any zero unit courses are not included in either the attempted or completed figures as these units are ineligible for financial aid.
- **Program of Study/Major/Pathway:** Financial aid is intended to fund students' program of study, including any preparatory courses needed. Therefore, funding is not available for classes not needed to complete that program. Students can change their academic program once, but if the student changes their program after they have already attempted 100% of the units needed to complete their program of study (less remedial courses), their financial aid may be suspended. Only 30 units of non-degree/remedial courses will be included for federal financial aid. Students may also be paid for any repeated class (one time) if the student previously passed ('D' or better) and for repeating classes they failed.

Failure to maintain Satisfactory Academic Progress or comply with the Terms of Agreement listed above, will result in cancellation of my financial aid payments.
